August 15, 2021

Members and Friends of Immanuel Lutheran Church,

Beginning Sunday, August 15 the following guidelines will be in place for activities occurring inside our building.

Small groups may meet without masks with consensus

We ask that small groups be respectful of each other. If within your small group one person prefers to wear a mask then please be respectful of their wishes and ask the entire group to wear masks. **If you have consensus from all members then you may choose not to wear masks.**

Our printed bulletins with the complete worship service will continue to be offered.

An offering plate will be introduced into our service. Members and friends will be asked to not “pass the plate”. If you are uncomfortable with this practice this would be a good time to enroll in our GivePlus+ online giving option at: immanuellawrence.org/give-plus.html

At this time communion packets will be offered at the communion rail.
If you wish to receive communion at your pew or chair please notify an usher or elder.

Social distancing is encouraged for all gatherings. We request that you allow 6-feet between family units as you gather for worship, ministry, and fellowship.

Three options for worship on Sundays at 9:30am will continue to be offered:

- In-Sanctuary – **mask required.**
- Activity Center – **mask optional. Unvaccinated individuals are encouraged to wear masks.**
- zoom

We thank you for your patience as we continue to safely navigate through the pandemic.

Your Elders at Immanuel Lutheran Church,

Ed Clement, Marty Couchman, Mark Crabtree, Dudley Karstensen, Paul Hiller
